Jennifer Gaines and I examined the units a couple of weeks ago. We plan to provide comments to you tomorrow, via e-mail.

Good afternoon Bill,
I've been on vacation for the past few days, but I wanted to follow up with you to get your thoughts on those bait station prototypes.

Thanks in advance!
Best,
Jenny Seifert

Thank you so much for all your assistance on this.

Best,
Jenny

We have found them. They were with another person. Jennifer Gaines and I will look at them and get back to you soon. Sorry for the delay and confusion.
